			Ferguson will do one last walk thru and give last report on structures and ventiles and people still on. Enough info to help w/ decision to fence it off. PLT's are not on duty. Need to know if there are kids campers or just the normal pop. of park - w/ the work of PLT's and Algonquins were able to get them to leave the park. No negative treatment of elders. Dr Peter Collins feels separate negotiations have been successful so feels this is a big win. Sparks/O'Connor and Sparks/Paul have negotiated & have portapotties installed for health and safety reasons.
2139	IC	Weg	if after last walk thru do you feel having ESU do a sweep of the park and then fence it off will that hamper negotiations?
2139			- John Ferguson not at all
2141	IC	POUL	- briefing complete from Ferguson briefing re (limited park) sweeping the park - Poul if empty will take 2 teams to clear. RPT's will have to manage Mackenzie while doing sweep - have 105 Poul on now will not have assets available for Poul calls at Wellington Sussex George while doing sweep.
2145	Opsup		Public works was making plan to attend ARC @ 0600 hrs to fence
2146	TC		will see if they can do it now if it is clear
